## About Me

For my personality, I love reading utopian, dystopian and whodunit novels.
On the other hand I am interested in motor sports, like Formula 1.
Lastly I so love teaching something to other people and sharing information with them. Therefore, I have been writing articles about Java and some book that I read in my blog. You can find links for my technical articles about software development and other topics in Blogger&Youtuber&Github section.

## EXPERIENCE

### Software Development Specialist

Asseco SEE • January 2017 to October 2018

- In this position, I responsible for fixing bugs and developing new features for the NestPay payment gateway system.We're developing software with Java based software technologies like Spring framework.
